carte Special featured in Santiago

Grille from 6:00-10:00pm.

## Palencia Supports Our Troops

The Palencia Club will host "Dancing in the Streets - Military Style" beginning with a Kickoff Party on Friday, October 16 at 6:00pm with entertainment on the Village Green and a live Military helicopter landing on the 9th fairway. On Saturday, October 17, beginning at 3:00pm there will be a full afternoon of military demonstrations and interactive displays, great food, shopping, jumpy house, and much more. Take a walk down "Aviation Alley" where the streets will be lined with vendors, and there will be a silent auction where 100% of the proceeds will go to support those who unselfishly defend American values and the freedom we enjoy every day. Representatives of all branches of the Armed Forces will be in attendance. Help Palencia support our troops by joining in on this fun-filled festival with great food, live entertainment and dancing in the streets.
